Forward Looking Statement

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and make informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Tamboli
Industries
Limited

We at Tamboli Industries Limited have undergone a strategic rebranding initiative, changing our name from our former identity as Tamboli Capital Limited. This significant transformation marks a pivotal moment in our Company's history. Our new name aligns more closely with our core business and strategic focus on investment casting and high-precision component manufacturing.

This rebranding reflects our evolution from our origins as a special purpose vehicle to a well-recognized brand in the investment casting domain. Our new name is a more accurate representation of who we are, what we do, and our standing in both our industry and the capital markets.

This strategic move aims to strengthen our position in the global investment casting market and reinforce our commitment to innovation, quality, and customer satisfaction. We continue to operate as the principal holding Company of Tamboli Castings Limited (TCL), our wholly-owned subsidiary specializing in high-precision, fully-machined investment castings. With this new brand identity, we are poised to further cement our position as a leading player in the investment casting and components industry.

/ Strategic Rebranding (Contd.)

Further information can be found online by visiting tambolicastingslimited.com

Tamboli Castings Limited has recently moved its website from www.tcl.in to www.tambolicastingslimited.com as part of the Group's overall strategic rebranding initiative. This transition to a .com domain offers several advantages, including enhanced global recognition, improved brand credibility, and easier memorability for international customers and stakeholders.

The new website provides comprehensive information about the company's operations, investment casting processes, and product offerings to prospective stakeholders. By adopting a .com domain, Tamboli Castings Limited reinforces its position as a modern, globally-oriented investment casting manufacturer while making it easier for potential clients worldwide to find and engage with its online presence.

Investment Casting Expertise

Tamboli Industries Limited (TIL) is the premier holding Company and driving force behind Tamboli Castings Limited (TCL) - an investment casting Company in India.

TCL is a specialist in investment casting technology (Feinguss), delivering fully machined precision components for Pneumatic & Automation, Pumps, Valves & Turbo Parts, General Engineering, Automobile and Aerospace applications.

Revered Industry Credentials

/ 01

5 decades of knowledge capital in manufacturing niche, precision casting components

- Preferred supplier to Fortune 500 companies
- Versatility in manufacturing components from numerous alloys
- Government recognized Star Export House

/ 02

An unmatched team & knowledge base

- 500+ talented employees
- 40+ engineers

/ 03

World-class infrastructure

- Highly automated and integrated manufacturing plant
- Benchmarked to international standards for automation, quality and safety
- Backward integrated for captive energy generation
- Equipped with an advanced machine shop with Mazak (Japanese) & DMG (German) machines, including latest 7 Axis Machining Center
- Deployed state-of-art softwares including simulation platforms like Solidworks, SCADA softwares from Mitsubishi & Siemens, and in-house ERP
- Equipped with in-house 3D printers and scanners for prototypes and experimentations
- Deployed high-end storage & retrieval systems for tools & spares
- Deeptech capabilities like 3D stimulations, automations and data recording to be future ready

Our Capabilities Include

Industry 4.0

TCL has fully embraced & upgraded SCADA technology in the last year by strategic CAPEX. TCL is also implementing Industry 4.0 technologies, and monitoring & surveillance systems across its facilities. These advanced systems enable unprecedented precision in controlling operations and provide real-time tracking of machinery and critical parameters. This continuous stream of data empowers our team to make smarter, faster decisions throughout our entire operational chain. By leveraging Industry 4.0 capabilities, we have tried to achieve optimal levels of production management, process control, and operational efficiency.

Research and Development

We prioritize continuous improvement through our research and development initiatives. Our approach is two-pronged:

- **Continuous process enhancement**
To be achieved at all levels in the Company, and is ensured through process study and evaluation to optimise parameters and cover all the processes.
- **New product development**
We place great emphasis on expanding our capabilities. This includes venturing into new industry segments, working with new material specifications, and tackling increased weights and complexities. Our 3D printing, scanning, and prototype service significantly reduces development time and costs for our clients.

Process Capability

Years of technological refinement have positioned us as industry leaders in producing investment castings with exceptional tolerance and surface finish, meeting stringent international standards.

- **Drawing specification**
Our engineering team provides comprehensive support throughout the casting design process. From initial concept to final product, we offer expert guidance on tolerances, design intricacies, alloy selection, and cost optimization.
- **Material specification**
TCL boasts an extensive portfolio of 150+ alloys, conforming to globally recognized standards such as ASTM, DIN, JIS, IS, and BS. This diverse range allows us to serve multiple industry sectors and meet varied performance requirements.

/ Applications

Precision Casting for Every Need

We pride ourselves on delivering cutting-edge investment casting solutions tailored to our clients' specific requirements. Our ready-to-fit, fully-machined components are utilized across a diverse range of industries, showcasing their versatility and quality. By strategically expanding our reach into multiple sectors, divisions, and geographical regions, we've built a resilient revenue stream that shields us from the volatility of any single industry. This diversification not only strengthens our position but also allows us to leverage cross-industry expertise to drive innovation and meet evolving customer needs.

Global Economy Overview

The global economy demonstrated unexpected resilience during the disinflation period of 2022-2023. Despite warnings of potential stagflation and recession, economic activity continued to grow steadily as inflation declined from its mid-2022 peak. Employment and income levels remained stable, supported by stronger-than-anticipated government spending and household consumption. The economy's ability to withstand significant interest rate hikes by central banks was aided by households in major advanced economies tapping into pandemic-era savings. Additionally, changes in mortgage and housing markets over the preceding decade of low interest rates helped moderate the immediate impact of policy rate increases.

/ Global growth, estimated at 3.2% in 2023, is projected to continue at the same pace in 2024 and 2025, according to the IMF World Economic Outlook - April 2024.

Looking ahead, the International Monetary Fund (IMF) projects global growth to maintain its 2023 pace of 3.2% in both 2024 and 2025. However, this growth rate is below historical averages due to several factors:

- High borrowing costs and reduced fiscal support in the near term
- Ongoing geopolitical tensions
- Weak productivity growth

- Increasing geo-economic fragmentation of world economy
- Lingering effects of the COVID-19 pandemic

The IMF forecasts a gradual decline in global headline inflation, from 6.8% in 2023 to 5.9% in 2024 and 4.5% in 2025. Advanced economies are expected to reach their inflation targets sooner than emerging markets and developing economies.

The medium-term economic outlook appears relatively weak, with the five-year growth forecast at a decades-low 3.1%. This slowdown is attributed to persistent structural issues hindering the efficient allocation of capital and labor to productive sectors. Furthermore, the slowing growth prospects of China and other large emerging markets are likely to impact their trading partners, given these economies' increasing share of global economic activity.

As central banks shift towards easing monetary policy and inflation approaches target levels, many economies are expected to tighten fiscal policies to address high government debt levels. This combination of higher taxes and reduced government spending may further constrain growth prospects in the coming years.

/ MD&A (Contd.)

Indian Economy Overview

India's economy is demonstrating remarkable resilience and growth potential in the face of global economic challenges. The country is poised to achieve a growth rate of 7% or higher for FY24, with some forecasts suggesting this trend may continue into FY25. If these predictions hold true, it would mark the fourth consecutive year of post-pandemic growth at or above 7%, a significant achievement that underscores India's economic strength and future prospects.

This robust growth trajectory is particularly noteworthy given the ongoing struggles of the global economy to sustain its post-Covid recovery. While India is not entirely immune to global economic challenges, it has successfully navigated the Covid pandemic and the energy and commodity price shocks of 2022, instilling a sense of confidence in its ability to weather emerging disturbances.

Key factors contributing to India's economic resilience include strong domestic demand and consumption, growing public and private investment, growth in the manufacturing and services sectors and government initiatives to boost economic growth.

Despite challenges such as supply chain disruptions, potential disruptions to trade

flows, fluctuating transportation costs and inflationary pressures, India's economy appears well-positioned to maintain its growth momentum. The country's ability to navigate global economic turbulence while sustaining high growth rates highlights its increasing importance in the global economic landscape.

Several key trends are expected to shape the future economic landscape, both globally and for India:

1. End of Hyper-Globalization
2. Rise of Artificial Intelligence
3. Energy Transition
4. Shifting Global Supply Chains
5. Digital Transformation

India's projected growth rate of 7% or higher for FY24 and potentially FY25 demonstrates the country's economic resilience and potential. As the global economy grapples with various challenges, India's ability to maintain strong growth positions it as a key player in the global economic landscape. However, to sustain this momentum, India must effectively navigate emerging trends and challenges. By addressing these challenges while capitalizing on its strengths, India can continue to build on its economic success and play an increasingly significant role in the global economy.

Global Investment Casting Industry Overview

The global investment casting industry continues to demonstrate resilience and innovation, adapting to changing market demands and technological advancements. This reliable manufacturing technique, also known as lost-wax casting, has evolved into a sophisticated process crucial for producing high-precision, complex metal components across various sectors.

According to recent market research, the global investment casting market was valued at USD 17.31 billion in 2023, with projections to reach USD 24.52 billion by 2030, growing at a compound annual growth rate (CAGR) of 5.0%. This growth is driven by increasing demand from key end-use industries and ongoing technological innovations in the casting process.

Key Application Sectors for Investment Casting

Aerospace & Defense

Dominating the investment casting application with a significant revenue share, this sector remains the primary driver of investment casting demand. The industry's ability to produce complex components with design flexibility and dimensional accuracy makes it indispensable for manufacturing critical aircraft parts.

Automotive

The automotive sector continues to be a significant consumer of investment cast components, particularly for engine parts, brake systems, and gearbox components & EGR.

Locomotive

The US and Europe are upgrading their aging locomotive & rail safety infrastructure, thus presenting opportunities for investment casting components.

Medical

With growing healthcare expenditures globally, the medical sector is emerging as a rapidly expanding application area for investment casting, particularly in the production of implants and surgical instruments.

Oil & Gas

Investment casting plays a crucial role in producing components that can withstand the extreme conditions typical in oil and gas operations.

Industrial Gas Turbines

The energy sector, particularly power generation, relies heavily on investment casting for producing turbine components.

Pumps & Valves

The global vacuum pumps market has been experiencing significant growth and investment, driven by various industrial applications and technological advancements. Globally investments in desalination projects are on the rise, especially in the Middle East region.

/ MD&A (Contd.)

Recent Technological Advancements

Recent years have seen significant technological innovations in the investment casting industry:

Artificial Intelligence (AI) Integration

AI is being increasingly used to optimize casting processes, predict defects, and enhance quality control. Machine learning algorithms are improving process efficiency and reducing production costs.

Additive Manufacturing

The integration of 3D printing technologies with investment casting is revolutionizing the industry. It allows for rapid prototyping, complex design creation, and reduction in lead times.

Advanced Materials

The development of new alloys and materials is expanding the capabilities of investment casting, particularly in high-performance applications.

Automation and Robotics

Increased automation in the casting process is improving consistency, reducing labor costs, and enhancing production efficiency.

Simulation and Modeling

Advanced computer simulations are being used to optimize mold designs and casting parameters, reducing trial and error in production.

While North America and Europe continue to be strong markets, driven by their aerospace and automotive industries, the Asia-Pacific region is emerging as the fastest-growing market. China, in particular, is becoming a major player in

the global investment casting landscape, driven by rapid industrialization and growing domestic demand.

The industry faces challenges such as high initial tooling costs and environmental concerns related to energy consumption. However, these challenges are driving innovation in sustainable practices and more efficient production methods. Opportunities lie in emerging applications, particularly in the medical, renewable energy and locomotive sectors. The industry's ability to produce lightweight, complex components aligns well with the global trend towards energy efficiency and performance optimization.

The global investment casting industry is characterized by robust growth, technological innovation, and expanding applications. As the industry continues to evolve, integrating advanced technologies like AI and additive manufacturing, it is well-positioned to meet the growing demand for high-precision, complex metal components across various sectors. The focus on sustainability and efficiency improvements suggests a promising future for this industry.

Company Overview

Tamboli Industries Limited is the holding Company of Tamboli Castings Limited - a specialist in investment casting technology (Feinguss), delivering fully machined precision components for Pneumatic & Automation, Pumps, Valves & Turbo Parts, General Engineering, Automobile and Aerospace applications. The Company is operating in three segments:

1. Manufacturing of Investment Castings and Precision Components, undertaken through the Wholly Owned Subsidiary - Tamboli Castings Limited (TCL)
2. Investments
3. Trading

Manufacturing is the core business segment of the Company and contributes to 99% to the Total Income of the Company.

Competitive Advantages

Tamboli Industries Limited's competitive advantage stems from a unique combination of business vintage and innovation in the investment casting sector. With leadership experience spanning nearly 5 decades, our management team brings unparalleled expertise to every project. Our focus on high-value precision components has resulted in impressive operational metrics, particularly in terms of product realization and profitability margins.

Our global outlook embodies the "Make in India, Make for the World" ethos, positioning us as a key player in the international markets. Our reputation as a preferred supplier is built on a foundation of international quality certifications, efficient production timelines, and a proven track record of supply chain reliability.

Environmental stewardship is at the core of our operations. We have implemented comprehensive strategies aimed at carbon neutrality and optimizing resource utilization, demonstrating our commitment to sustainable manufacturing practices.

The latest initiative to this end is commissioning of our solar power plant to shift to a renewable source of energy.

Our robust financial health, characterized by a debt-free balance sheet, strong liquidity, and consistent cash flows, enables us to pursue growth initiatives and take long-term business decisions. This financial stability underpins our long-term strategic vision.

Our technical capabilities extend to working with a diverse range of materials, including various grades of steel, aluminum, and other non-ferrous alloys. We offer an extensive portfolio of castings, with individual components ranging from 10 grams to 100 kilograms, catering to a wide spectrum of industries and applications.

This combination of knowledge capital, cutting-edge manufacturing capabilities, global reach, environmental responsibility, financial strength, and technical versatility positions Tamboli Industries Limited at the forefront of the investment casting industry.

Performance Review

Tamboli Industries Limited has demonstrated remarkable adaptability in the face of a challenging global economic landscape. The Company has encountered numerous macro challenges, including weakened industrial production in export markets such as Europe, geopolitical tensions, and supply chain disruptions. Despite these hurdles, Tamboli Industries has maintained its commitment to customer-centric values and operational excellence.

Our Revenue from Operations for the year stood at ₹76.25 Crore as compared to ₹85.53 Crore in FY23, registering a decrease of 11% year-on-year growth. Subsequently, our EBITDA for the year was down by 25%, from ₹20.38 Crore in FY23 to ₹15.20 Crore in FY24, with margins falling from 24% to 20%.

/ MD&A (Contd.)

Our financial performance for FY24 was primarily impacted because of a severe slowdown in economic activities in Europe, which continues in FY25. However, the Company's fundamental strengths remain intact, positioning it well for future growth.

Tamboli Industries is strategically pivoting to capitalize on emerging opportunities:

Automation and Mass Transit

The Company is leveraging its expertise to meet the growing demand for automation solutions and mass transit projects in the pipeline.

Domestic Market Expansion

In response to export challenges, Tamboli is intensifying its focus on the Indian market, exploring new customer partnerships and increasing its presence at local trade shows.

Innovation Pipeline

The engineering team is developing innovative projects across various industry segments, which are expected to yield positive results in the coming years.

Operational Enhancements

Despite macroeconomic headwinds, the Company is investing in de-bottlenecking its manufacturing facilities and implementing Industry 4.0 initiatives to improve efficiency and competitiveness.

Business Development

Tamboli continues to pursue new customer accounts while also working to expand relationships with existing clients.

Prototype Development

The Company is building a robust prototype pipeline with customers, positioning itself to capitalize on future market upturns.

By focusing on these strategic initiatives, Tamboli Industries aims to enhance its resilience, diversify its market presence, and drive long-term sustainable growth. The management's proactive approach and commitment to innovation underscore the Company's potential to thrive as economic conditions improve.

Operating Environment & Outlook

The operating environment for the industry remains highly challenging due to several macroeconomic factors. Elevated energy prices in Europe have significantly impacted industrial output, leading to a slowdown in business from this region, subsequently impacting our business from the region. Additionally, many export customers are engaging in destocking efforts as they normalize higher inventory levels built up during the pandemic. Exports have also faced challenges on account of the Red Sea crisis, leading to elevated shipping rates and shipping lead times.

On a more positive note, the MENA market, particularly the Middle East region, is showing promise with substantial investments in the vacuum pumps sector and water desalination projects, benefiting our Company. In the US, market dynamics for the coming year are closely tied to policy changes and the outcomes of the upcoming elections in November, which could influence policy changes and business operations. The electric vehicle (EV) industry, which had been growing rapidly post-pandemic, has shown signs of a slowdown, which could favor our supplies to the traditional internal combustion engine (ICE) sector, suggesting this market will remain viable for a few more years from what was originally anticipated. Furthermore, there is a noticeable trend of clients diversifying their supply chains away from China, and our company is well-positioned to capitalize on this shift by offering superior investment casting solutions at competitive prices.

Continued Thrust on Sustainability Initiatives

Tamboli Industries has made significant strides in its sustainability efforts with the successful implementation of a 1 MW solar power plant. This facility will not only help in our backward integration through captive power consumption but also mark a pivotal moment in the Company's commitment to environmental stewardship.

By embracing renewable energy, Tamboli Industries is aligning itself with broader national sustainability goals, demonstrating its dedication to India's green energy transition. This initiative reinforces Tamboli's position as a forward-thinking leader in sustainable manufacturing practices.

Internal Control System and Their Adequacy

The Company has a system of Internal Control which is reviewed by the Management. The Management evaluates the functioning and quality of the internal controls and provides assurance through periodical reporting. The Management reviews the Internal Audit Reports and the adequacy of internal control on a regular basis which is also minimizing any possible risk in the operations of the Company.

Human Resources

Tamboli Industries recognizes that its workforce is its most valuable asset, playing a crucial role in ensuring business sustainability and driving growth. To attract and retain top talent, the Company has implemented a variety of initiatives designed to enhance its visibility and strengthen its brand in the job market.

These initiatives cover a broad spectrum, from basic employee benefits to advanced training & management programs

for middle and senior leadership. For instance, one fundamental employee benefit includes all 400+ employees at our facility receiving complimentary lunch meals, that underscores our commitment to employee well-being. For our middle and senior-level managers, we offer specialized programs focused on professional growth and leadership development. One such initiative includes learning and development programs and managerial training conducted by professional business coaches.

Through these strategic initiatives, we aim to create a workplace that not only attracts top talent but also nurtures their growth and long-term commitment to our Company's vision and success.

Cautionary Statement

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets, change in the Government regulations, Tax Laws and other statutes and incidental factors.

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule no. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Tamboli Industries Limited
(formerly known as Tamboli Capital Limited)

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tamboli Industries Limited (formerly known as Tamboli Capital Limited) (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company, during the audit period covering the financial year ended on **31st March, 2024** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2024** and verified the provisions of the following acts and regulations and also their applicability as far as the Company is concerned during the period under audit:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent of their applicability to the Company;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulation, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with clients.

We have also examined compliance with applicable clauses of the following:

1. Secretarial Standards issued by the Institute of Company Secretaries of India;
2. Provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

- I) The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Director took place during the period under review.
- II) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

III) All decisions at Board Meetings & Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or the Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Independent Auditors' Report

To
The Members of
TAMBOLI INDUSTRIES LIMITED (formerly known as TAMBOLI CAPITAL LIMITED)

Report on the Audit of the Standalone Financial Statements

OPINION

We have audited the accompanying standalone financial statements of **Tamboli Industries Limited** ("the Company") (formerly known as "Tamboli Capital Limited") which comprise the balance sheet as at 31st March 2024, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024 and of the profit including total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed

in the context of our audit of the standalone financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the standalone financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosure, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure - A**, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015;
 - (e) On the basis of written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms Section 164(2) of the Act;
 - (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in **Annexure - B** may be referred;
 - (g) In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with schedule V of the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. a. The Management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 29(i) to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note no. 29(j) to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.

- (i) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act;
- (j) Based on our examination which included compliance test and test checks, the Company has used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. However, the audit trail generated by the software does not give all the required information. The management of the Company is under the process of taking necessary steps to implement a complete audit trail.

To the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

1. In respect of property, plant and equipment:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.

The Company does not have any intangible assets.
 - b. The property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
 - c. Since the Company does not have any immovable properties as on balance sheet date, the requirement to report under clause 3(i)(c) of the Order is not applicable.
 - d. The Company has not revalued any of its property, plant and equipment during the year.
 - e. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.
2. In respect of inventories:
 - a. Since no inventories are held by the Company during the year, the requirement to report under clause 3(ii)(a) of the Order is not applicable.
 - b. The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence, the requirement to report under clause 3(ii)(b) of the Order is not applicable.
3. In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:

The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year. Hence, the requirement to report under clause 3(iii) of the Order are not applicable.
4. The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, investments, guarantees and security, to the extent applicable.
5. The Company has not accepted any deposits from public or amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable.
6. The Central Government has not prescribed maintenance of the cost records under Section 148(1) of the Act.
7. In respect of statutory and other dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees state insurance, income tax, custom duty, cess, goods & service tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
 - b. There are no amounts outstanding, which have not been deposited on account of dispute.
8. The Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

9.
 - a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c. The Company has not taken any term loan during the year hence, the requirement to report under clause 3(ix)(c) of the Order is not applicable.
 - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used for long-term purposes by the Company.
 - e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associates. The Company does not have any joint venture companies.
 - f. The Company has not raised any loans during the year. Hence, the requirement to report under clause 3(ix)(f) of the Order is not applicable.
10.
 - a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
 - b. The Company has not made any preferential allotment or private placement of shares or fully/partly convertible debentures during the year and hence, the requirement to report under clause 3(x)(b) of the Order is not applicable.
11.
 - a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
 - b. No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - c. The Company has not received any whistle blower complaint during the year and up to the date of this report.
12. The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3(xii) of the Order is, therefore, not applicable.
13. Transactions with the related parties are in compliance with Section 177 and 188 of the Act, wherever applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.
14.
 - a. The Company has an internal audit system commensurate with the size and nature of its business.
 - b. We have considered the internal audit reports of the Company issued till date for the period under audit.
15. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors during the year.
16.
 - a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - d. There is no core investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.
17. The Company has not incurred cash losses in the current year and in the immediately preceding financial year.
18. There has been no resignation by the statutory auditors of the Company during the year.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the

Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. The Company is not covered under Section 135(1) of the Act with respect to the applicability of Corporate Social Responsibility. The requirement to report under clause (xx) of the Order is, therefore, not applicable.

Annexure-B

To the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Tamboli Industries Limited** ("the Company") (formerly known as "Tamboli Capital Limited") as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

For the year ended 31st March 2024

Company Information

Tamboli Industries Limited (Formerly known as “Tamboli Capital Limited”) (“the Company”) is a public limited Company domiciled in India and incorporated on 17th April, 2008 under the provisions of the Companies Act applicable in India. The Company is engaged in investment and trading activities. The registered office of the Company is located at Mahavir Palace, 8-A, Kalubha Road, Bhavnagar - 364 002. The equity shares of the Company are listed on the Bombay Stock Exchange (BSE).

The standalone financial statements were authorized for issue in accordance with the resolution of the Board of Directors on 28th May, 2024.

1. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Company considers 12 months as normal operating cycle.

The Company’s financial statements are reported in Indian Rupees, which is also the Company’s functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Significant accounting policies:

a. System of accounting

The separate financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 (“Act”), except in case of significant uncertainties.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.

- (iv) The Company depreciates property, plant and equipment on straight line method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.

d. Investments and financial assets

(i) Investments in subsidiary companies

Investments in subsidiary companies is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

Upon first-time adoption of Ind AS, the Company has elected to measure these investments at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1st April, 2018.

(ii) Other investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at:

- amortised cost;
- fair value through profit and loss (FVTPL);
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

e. Inventories

Stock in trade is valued at weighted average cost including all charges in bringing the materials to the present location.

f. Cash and cash equivalent

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

g. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

h. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

i. Revenue recognition

- (i) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction

price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of contract.

- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

j. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

k. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period

that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

l. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

m. Provisions and contingent liabilities

The Company creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

n. Segment reporting

The Company publishes this financial statement along with the consolidated financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the consolidated financial statements.

Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables and other receivables.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, wherever required, are made in the financial statements.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Company manages liquidity risk by maintaining adequate reserves by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

(₹ in lacs)

Particulars	Less than or equal to one year	More than one year	Total
As on 31st March 2024

Trade payables	1.37	-	1.37
Other financial liabilities	9.33	-	9.33
Total financial liabilities	10.70	-	10.70

C. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

NOTE NO. 24**Capital management**

The Company's capital management objective is to maximise the total shareholders' returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The following table summarises the capital of the Company:

Independent Auditors' Report

To
The Members of
TAMBOLI INDUSTRIES LIMITED (formerly known as TAMBOLI CAPITAL LIMITED)

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying consolidated financial statements of **Tamboli Industries Limited** ("the Parent Company") (formerly known as "Tamboli Capital Limited") and its subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at 31st March 2024, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024 and of the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in

the context of our audit of the consolidated financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters are not required to be communicated in the audit report of the subsidiaries audited by the other auditors. We have determined that there are no key audit matters to communicate in our report.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include financial statements and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiary audited by the other auditors, to the extent it relates to that entity and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiary is traced from its financial statements audited by the other auditors. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Parent Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements to give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash

flows of the Group in accordance with the Ind AS and accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosure, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

OTHER MATTERS

The consolidated financial statements include financial statements of three subsidiaries which reflect total assets of ₹ 12,118.37 lacs as at 31st March, 2024, total revenues ₹ 7,513.14 lacs and net profit after tax including other comprehensive income of ₹ 729.60 lacs for the year as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to aforesaid subsidiaries is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements above and our report on other Legal and Regulatory Requirements below is not modified in respect of these matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of the respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements except following:

Sr. No.	Name	Nature of Relationship	Clause number of the CARO report which is qualified or is adverse	Remarks
1	Tamboli Metaltech Private Limited	Wholly-owned subsidiary	(xvii)	Cash losses
2	Tamboli Profiles Private Limited	Wholly-owned subsidiary	(xvii)	Cash losses

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries referred to in the Other Matters section above we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept so far as it appears from our examination of those books;
 - c) The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flow statement dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
 - e) On the basis of written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors of the Parent Company and its subsidiary companies incorporated in India, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms Section 164(2) of the Act;
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in **Annexure - A** may be referred;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us and according to the reports of the statutory auditors of the subsidiary companies incorporated in India, remuneration paid by the Parent Company and its subsidiary companies incorporated in India, to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
- i) The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group;
 - ii) The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company and its subsidiaries incorporated in India.
 - iv) a. The respective managements of the Parent Company and its subsidiaries, has represented that, to the best of its knowledge and belief, as disclosed in the note no. 40(h) to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
b. The respective managements of the Parent Company and its subsidiaries, as disclosed in the note no. 40(i) to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- i) The dividend declared or paid during the year by the Parent Company and its subsidiaries incorporated in India are in compliance with Section 123 of the Act.
 - j) Based on our examination which included compliance test and test checks and those performed by the respective auditors of the subsidiaries which are incorporated in India whose financial statements have been audited under the Act, the Company and its subsidiaries have used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. However, in case of the Parent Company and two subsidiaries, the audit trail generated by the software does not give all the required information. The management of the respective companies are under the process of taking necessary steps to implement a complete audit trail.

Annexure-A

To the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2024, we have audited the internal financial controls over financial reporting of **Tamboli Industries Limited** ("the Parent Company") (formerly known as "Tamboli Capital Limited") and its wholly-owned subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group") which are companies incorporated in India.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Parent Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating

the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent Company and its subsidiary companies, which are companies incorporated in India.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorisations of management and directors of the respective companies included in the Group; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Parent Company and its subsidiaries which are companies incorporated in India, have, in

all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

OTHER MATTERS

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal controls over financial reporting in so far as it relates to subsidiaries, is based solely on the corresponding reports of the statutory auditors of these subsidiaries. Our opinion is not modified in respect of this matter.

Notes forming part of the Consolidated Financial Statements

For the year ended 31st March 2024

Company Information

Tamboli Industries Limited (formerly known as “Tamboli Capital Limited”) (“the Company/Parent Company”) is a public limited Company domiciled in India and incorporated on 17th April, 2008 under the provisions of the Companies Act applicable in India. The Company is engaged in investment and trading activities. The registered office of the Company is located at Mahavir Palace, 8-A, Kalubha Road, Bhavnagar - 364 002. The equity shares of the Company are listed on the Bombay Stock Exchange (BSE).

The consolidated financial statements (“the financial statements”) were authorized for issue in accordance with the resolution of the Board of Directors on 28th May, 2024.

1. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Group’s normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Group considers 12 months as normal operating cycle.

The Group’s financial statements are reported in Indian Rupees, which is also the Group’s functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Basis for consolidation:

The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements, appropriate adjustments are made to that group member’s financial statements in preparing the

consolidated financial statements to ensure conformity with the group’s accounting policies.

The financial statements of the subsidiary used for the purpose of consolidation are drawn up to same reporting date as that of the Parent Company.

The consolidated financial statements present the consolidated accounts of the Company along with its following subsidiaries:

Entity	Proportion of Ownership Interest as at 31 st March 2024
1 Tamboli Castings Limited	100.00%
2 Tamboli Metaltech Private Limited	100.00%
3 Tamboli Profiles Private Limited	100.00%

The consolidated financial statements have been prepared on the following basis:

Subsidiaries

- A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company.
- The Company combines the financial statements of the Parent Company and its wholly-owned subsidiaries on a line by line basis, adding together like items of assets, liabilities, equity, income and expenses. Inter-Company transactions, balances and unrealized gains on transactions among the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the Parent Company.
- A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction. If the Company loses control over a subsidiary, it derecognizes the assets, liabilities, carrying amount of any non-controlling interests and the cumulative translation differences recorded in equity.

1.3 Material accounting policies

a. System of accounting

The financial statements of the Group are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Group.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.

- (iv) On transition to Ind AS, the Group has opted to continue with the carrying values measured under the previous GAAP as at 1st April 2018 of its property, plant and equipment and use that carrying value as the deemed cost of the property, plant and equipment on the date of transition i.e. 1st April 2018.

- (v) The Group depreciates property, plant and equipment on straight line method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.

d. Investments and financial assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at:

- amortised cost;
- fair value through profit and loss (FVTPL);
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Group changes its business model for managing financial assets.

Financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its

initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition.

e. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost, including all charges in bringing the materials to the present location, or net realizable value, whichever is lower.
- (ii) Finished goods and work-in-progress are valued at material cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Group.

f. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

g. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

h. Financial liabilities

- (i) Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

i. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment

terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

j. Revenue recognition

- (i) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Group as part of contract.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Domestic sales are accounted for on dispatch from point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. Export sales are recognised on the date of mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of transaction.
- (iv) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (v) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

k. Borrowing costs

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

l. Impairment of non financial assets

As at each reporting date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment

loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

m. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

n. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the Company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the Company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

o. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Group has no further obligations beyond the monthly contributions.
- (ii) The Group provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Group's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Group. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the Statement of Profit and Loss.

p. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

q. Leases

The Group, as a lessee, recognises a right-of-use asset for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability

adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

r. Provisions and contingent liabilities

The Group creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

s. Segment reporting

Operating Segments are reported in manner which is consistent with the internal reporting system of the Group. The Chief Operating Decision Maker (CODM) is responsible for allocating the resources and reviews performance.

General reserve:

The Company has transferred a portion of the net profit of the Company before declaring dividend to general reserve pursuant to earlier provision of Companies Act, 1956. Mandatory transfer to general reserve is not required under Companies Act, 2013 and the Company can optionally transfer any amount from the surplus of profit or loss to the General Reserve.

Retained earnings:

Retained earnings are the profits that the Company has earned till date, less transferred to general reserve, dividends or other distributions paid to shareholders.

Remeasurement of defined benefit plans:

The Company has recognised remeasurement gains/(loss) on defined benefit plans in OCI. These changes are accumulated within the OCI reserve within other equity. The Company transfers amount from this reserve to retained earnings when the relevant obligations are derecognized.

NOTE NO. 32**Financial risk management**

The Groups' activities expose it to credit risk, liquidity risk and market risk

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings/Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Group. The maximum exposure of the financial assets represents trade receivables and other receivables.

In respect of trade receivables, the Group uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Group. The Group regularly reviews trade receivables and necessary provisions, wherever required, are made in the financial statements.

B. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Group manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

(₹ in lacs)

Other financial liabilities	123.47	12.57	136.04
Total financial liabilities	526.01	48.24	574.25

C. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Group has several balances in foreign currency and consequently, the Group is exposed to foreign exchange risk. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

b) Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/decrease in basis points	Effect of profit before tax
March 31, 2024	+100	0.30
	-100	(0.30)
March 31, 2023	+100	1.01

e) Foreign currency sensitivity

The Group is mainly exposed to changes in USD and EURO. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Group as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

NOTE NO. 33**Capital management**

The Group's capital management objective is to maximise the total shareholders' returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Group ensures optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Group.

The following table summarises the capital of the Company:

Segment reporting

The Group is organised into business units based on its products and services and has identified three reportable segments as follows:

- Investment activities
- Trading activities
- Manufacturing activities

The management monitors the operating results of its business units separately for the purpose of making decisions about re-source allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Group's financing (including finance costs and finance income) and income taxes are managed on a Group basis and are not allocated to operating segments.
